Report of Principal and School Improvement Council

The mission of Seneca High School focuses on excellence in academics, arts, and athletics. Our outstanding faculty, staff, and student body took many steps in moving our mission forward during the 2012-2013 school year.

The Class of 2013 graduated 240 seniors and will represent SHS at more than forty colleges and universities. Fifteen seniors received the prestigious Palmetto Fellowship; 95 seniors qualified for LIFE Scholarships; 47 seniors received HOPE Scholarships; and 80% earned Platinum Honor Cords. The Class of 2013 received an all-time high of \$12.9 million in scholarship money, and boasted a student who had twelve years of Perfect Attendance. Students participated in fourteen Advanced Placement courses, and we witnessed significant increases in EOCEP scores again this year, as well as maintaining gains in our HSAP scores. Our FFA program received the Gold Chapter Award, an impressive honor indicating numerous quality, service-oriented activities. The Fine Arts Department continues to be recognized as one of the finest in the state. The Honors Chorale was named State AAA Champions for the fourth year in a row while designating thirty-nine SHS vocalists to the SC All-State Chorus. Our Strings Program received all Superior ratings this year and our Band Program continues to enjoy growth in both numbers and in pride for its program.

Seneca Bobcat athletics also continue to excel. Several of our athletic teams once again advanced to the State Play-Offs. The SHS Track and Field Team won many individual State Championship awards. SHS Girls Softball Teams won the Western I-AAA Region Titles and numerous Bobcat student-athletes were named to All-Conference Teams and also to All-State Teams.

We are very proud of our students' many fine accomplishments in academics, arts, and athletics and we are equally eager and excited about upcoming Bobcat accomplishments in 2013-2014!

Mr. T. Cliff Roberts, Principal

Mrs. Kerri S. Doud, School Improvement Council Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
